WORK EXPERIENCE

Busser/Dining Room Attendant

05/2019 to 08/2019

El Porton Mexican Restaurant

11950 Jones Bridge Rd, Johns Creek, GA

In this job I primarily cleaned tables and brought chips to guests. Occasionally if required I would work in the front as a host and seat guests. This job required good communication skills as the customer was always present and created a good restaurant atmosphere was imperative.

Window Cleaner

06/2020 to 2020

Fish Window Cleaning

Alpharetta, GA

While working here my usual workflow was to receive a list of job sites that were usually businesses or houses that wanted their windows cleaned. I would drive to these locations and clean their windows. I was expected to be an independent and autonomous worker, not relying on management every day to be told what to do. It required good organization skills, time management, and energy since it was a physical labor job.
